Re: United States Patent for *Superplastic Forming and Diffusion Bonding of Fine Grain Titanium*  
Application No. 10/813,892; Filed March 31, 2004  
Patent No. 7,533,794 B2; Issued May 19, 2009  
Our File 038190/274036

Sir:

It is respectfully requested that a Certificate of Correction be issued for the above-identified patent, in accordance with 37 C.F.R. §1.322. This request is made in order to correct the mistakes incurred through the fault of the United States Patent and Trademark Office ("USPTO").

As supporting evidence for correction of the assignee name on the face of the patent, Applicant directs your attention to Applicant's Issue Fee Transmittal Form which can be found in PAIR in the image file wrapper for this application. The Issue Fee Transmittal Form shows the name of the assignee to be "The Boeing Company." The patent has printed with a typing error in the assignee name which was made by the USPTO.

The mistake appearing in the patent is set forth on the Certificate of Correction e-filed herewith.

Respectfully submitted,

/guy r gosnell/
